

Unit IV The State of Our Lives: Being a Louisiana Neighbor Lesson 2 Geography, Ecology, and Folklife

Map Facts Worksheet

Name _____

_Date _____

Directions: Search for these map facts on several maps. For each of the three Folk Regions, choose five towns or areas and write the names in the first column. In the other five columns, record any information you can find about that area or place. When you have completed the research, study all the facts for each region and write a general description about that region using those facts.

Folk Region	Elevation	Waterways	Some Place Names	Population Density	Roadways
North Louisiana Region					

South Louisiana Region			
New Orleans Region
