

Photo or Slide Log

Photographer(s): _____

Dates: _____

Time: _____

Location(s): _____

Subject(s): _____

For print photos, be sure to label each photo by writing on a sticker then placing the sticker on the backs of photos and the frames of slides. It's best to use a numbering system that refers to this log and keep log with photos or slides.

For digital photos, be sure to include in each file name enough information to identify the photo and refer to this log.
