Unit VII Material Culture: The Stuff of Life
Lesson 5 Louisiana Regional Foodways

Agricultural Products Worksheet

Name _____ Date _____

Directions: Access the **Louisiana Department of Agriculture and Forestry Market Bulletin** <http://www.ldaf.state.la.us/marketing/marketbulletin/index.htm> webpage. From this page, click on **Recent Edition** to download the most recent *Market Bulletin* newsletter. After the file is downloaded, open it in Acrobat Reader, and read the farm products that are for sale, noting the towns where they are sold.

Find the towns on a Louisiana map and decide which regions they are in. Complete a chart for each of the regions, listing several different items for sale and the towns where they are sold. When the charts are complete, try to write statements that generalize about the foods sold in each region by filling in the blanks in the sentences.

I. Region _____

Towns in the Region	Agricultural Products for Sale There

Complete these sentences to generalize about the foods sold in this region:
In the _____ region, _____, _____, _____, _____, and _____ are being offered for sale. That leads me to believe that
_____
_____
_____

II. Region _____

Towns in the Region	Agricultural Products for Sale There

Complete these sentences to generalize about the foods sold in this region:
In the _____ region, _____, _____, _____, _____, and _____ are being offered for sale. That leads me to believe that _____
_____

III. Region _____

Towns in the Region	Agricultural Products for Sale There

Complete these sentences to generalize about the foods sold in this region:
In the _____ region, _____, _____, _____, _____, and _____ are being offered for sale. That leads me to believe that _____
_____
