

Music in Everyday Life Worksheet

Name _____ Date _____

What role does music play in your everyday life? Follow these directions to find out. Read and think about the following questions, then:

- Write your answers.
 - Discuss them with your group or class.
 - Find out if other students' answers are the same or different.
-

1. What different kinds of music are important to you?
2. Where do you hear music?
3. What kinds of instruments are involved? What kinds of vocals?
4. How might social music differ from religious music or patriotic music? Popular music from classical music?
5. Do you sing or hum or whistle while you work and play?
6. Do you hear others do so? Who? Describe the sounds others make when they work or play.
7. Do you listen to special music at holiday times? Describe the music.
8. Do you make rhythmic noises with your hands, mouth, feet, or other parts of your body? Do you make up songs?
9. What musical sounds do you hear in nature? Describe them.
10. Do you play an Instrument or sing? If so, describe.
